INVITATION TO BID

TO: Prospective Bidders

FROM: Ethan J. Hand, Chief Engineer

Shelby County Commission is seeking bids from responsible bidders for the repair and replacement of guardrails throughout the county on an as needed basis. Plans and specifications will be available on Shelby County's E-Bid portal beginning at 10:00 AM Wednesday, November 25, 2026. The following shall be made a part of this bid proposal as if it were included in the original proposal. For the avoidance of doubt, this Invitation to Bid and any resulting contract shall at all times be in compliance with the Public Works Law, codified under Title 39 of the Code of Alabama, and the Rebuild Alabama Act, codified in Chapter 8 of Title 23 of the Code of Alabama. Bidders shall be required to comply with the provisions of these laws regardless if the requirement is explicitly detailed in the bid proposal or not.

PROJECT NOTES AND SPECIAL PROVISIONS

Project notes and Special Provisions specific to this project are adopted as if set forth herein and are included in Attachment A.

QUESTIONS AND CLARIFICATIONS

Requests for information will be accepted from bidders until Monday, December 14, 2026 at 2:00 PM. Bidders with questions may submit them via email to Shelby County's single point of contact Ethan Hand at ehand@shelbyal.com or mail at 506 Highway 70, Columbiana, AL 35051. Answers to all inquiries will be published on the County's Ebid portal no later than 2:00 PM Tuesday, December 15, 2026. Only written responses may be relied upon by bidder. Similarly, any addenda to this Invitation to Bid will be published on the County's Ebid portal.

PRE-BID MEETING

There will be no pre-bid meeting for this project.

BOND REQUIREMENTS

It is not anticipated at this time that the total cost of this project will meet or exceed $100,000.00. Therefore, no bond(s) will be required for this project.

INSURANCE AND LICENSING REQUIREMENTS

All bids must include a copy of the bidder's general contractor license number as required by Chapter 8 of Title 34 of the Code of Alabama. The Shelby County Commission shall not execute this contract until the successful bidder has supplied in a timely manner, as outlined in the attached Contract Specifications:

A. A Section 84 State/County privilege license and all other required license(s);

B. Proof of insurance sufficient to cover any harm caused by successful bidder in performance of its duties hereunder. Such insurance must include, at a minimum, general contractor liability in an amount of not less than $100,000 in addition to workers compensation and automobile insurance as required by law. Such insurance shall be maintained in force at all times during the term of the Agreement. With the exception of worker's compensation, the Shelby County, the Shelby County Commission, and its officers and employes, shall be named as an additional insured. All insurance coverages must conform with state law, as applicable.

LEGAL REQUIREMENTS

Bidder shall be subject to all applicable federal, state, and local laws. At a minimum, the following laws shall apply:

A. Immigration Law. As required by Ala. Code § 31-13-9, by signing this contract, grant, or other agreement, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

B. Open Trade. Consistent with Ala. Code § 41-16-5, contractor by represents and agrees that it is not currently engaged in, nor will it engage in, any boycott of a person or entity based in or doing business with a jurisdiction with which the State of Alabama can enjoy open trade.

C. Economic Boycott. Contractor verifies that the company, without violating controlling law or regulation, does not and will not, during the term of the contract, engage in economic boycotts as defined by Ala. Code § 41-16-160.

D. Public Works. Consistent with Ala. Code §§ 39-3-1 and 39-3-4, the bidder must contract materials, supplies, and products manufactured, mined, processed, or otherwise produced in the United States or its territories, if the same are available at reasonable and competitive prices shall use iron or steel produced within the United States when specifications in the construction contract require the use of iron or steel, provided that nothing herein shall require any material that would qualify as a sole source under Ala. Code § 39-2-2(f).

SALES TAX EXEMPTION

The purchase of construction materials used on this project pertains to the construction of highways, roads, or bridge projects. Based upon guidance from the Alabama Department of Revenue, the purchase of construction materials for this project are exempt from sales tax and the project should be bid as such. It is the responsibility of the Contractor to comply with all applicable state laws concerning sales tax. It is also the responsibility of the Contractor to prepare and file tax-exempt certifications for each project assigned as required by the Alabama Department of Revenue. For the convenience of the Bidder, a tax-exempt certification may be accessed at Accounting of Sales Tax (fillable form accessed at https://dcm.alabama.gov/PDF/forms/C-3A_Sales_Tax.pdf). Successful Bidder will be responsible for submitting a new form for each individual project assigned under the Resulting Contract.

SUBMISSION OF BIDS

All bids must be sealed and marked in the lower left-hand corner "BID – FY 2027 GUARDRAIL SAFETY REPAIRS AND REPLACEMENT" with opening date and time, name of contractor, and general contractor's license number. Bids that are prematurely opened for failure of bidder to properly mark the envelope will not be considered. Late bids will not be opened. All bids must be in writing, printed or in ink, and signed by an authorized representative. Electronic, faxed, or oral bids will not be accepted.

Bidder must use the Proposal Form and Bid Form (Attachments B and C, respectively) for submitting a bid. Failure to submit the bid using the format prescribed herein will be reason for disqualification of the bid. Bids will not include State Sales Tax or Federal Excise Tax. Bids must also be accompanied by the following forms certifying compliance of laws as provided above:

1. Beason Hammon Certificate (attached for convenience)
2. Everify MOU with DHS (may be accessed at www.everify.gov)
3. Certificate of Compliance with Act 2016-312 (attached for convenience)
4. Certificate of Compliance with Act 2023-409 (attached for convenience)
5. W-9 (may be accessed at https://www.irs.gov/pub/irs-pdf/fw9.pdf)
7. Anti-collusion Certificate (attached for convenience)

As indicated above, the attached certifications are included herein in Attachment D.

Bidders are to state that bids submitted are firm and that no claims for errors will be made after bids are opened and subsequent thereof.

DISQUALIFICATION OF BIDS

Bids may be disqualified before awarding of the Contract for any of the following:

- **A.** Failure to submit bid in a sealed envelope labeled appropriately with the project information, contractor name and contractor license number;
- **B.** Failure to mark envelope as required;
- **C.** Failure to sign or notarize the bid document; or
- **D.** Failure to include requested information for other details of the bid.

Shelby County reserves the right, in its sole discretion, to waive compliance with any non-material bid specification which it deems to be of no material consequence to the project.

METHOD OF AWARD

The award will be made to the lowest responsible and responsive bidder meeting specifications. It is not the policy of the Shelby County Commission to purchase on the basis of low bid only. Consistent with Ala. Code § 39-3-5, preference will be given to Alabama resident contractors, and a nonresident bidder domiciled in the state will be given the same preference only on the same basis as the nonresident bidder's state awards contracts to Alabama contractors.

The Shelby County Commission reserves the right to award a contract for each item if in the best interest of the Shelby County Commission. Upon awarding of a contract, the Shelby County Commission receives the sole right to end said contract at its sole discretion.

The successful bidder, upon notification by the County, shall have ten (10) days to execute a contract pertaining to the scope of work as identified within this bid proposal package.

PROJECT SCP 59-984-26

PROJECT NOTES

1. This project is an open-ended, as needed contract based upon the unit prices included in the bid, up to a cumulative total of $99,999.00 (“Contract Cap”). The term for the project shall be upon approval by the Commission and execution of the Resulting Contract through September 30, 2027, or upon the expenditure of the Contract Cap, whichever is sooner.
2. A current list of guardrails that are in need of repair is listed below. This project shall include this list, as well as any guardrails that may be damaged, as directed by the County. Due to the unpredictable nature of this project, the County makes no guarantees as to the number of individual projects or amount of materials or services needed. During the term of the Resulting Contract, the County will make the successful bidder aware as the need to repair or replace a guardrail arises. Successful bidder will then provide a quote for each individual project, as well as a tax exemption certificate on the form prescribed by the Alabama Department of Revenue, and the County Engineer and the successful bidder will work together to schedule the work in a timely manner.
3. There will be no weekend work allowed unless specifically set up in the project or specifically and directly approved by the County Engineer. Any work done on the weekend without this specific permission will not be paid for.
4. Shelby County reserves the right to further restrict working hours on a specific unit at the sole discretion of the County Engineer or his authorized designee.
5. If at any time the County Engineer or his designee determines that Traffic Control is inadequate to handle ongoing operations, he or she will order that work be stopped until the issue is resolved to his or her satisfaction.
6. The CONTRACTOR must maintain work space clean and free of debris.
7. Temporary Traffic Control shall be a subsidiary to the primary items of work in this contract.
