**LEGAL NOTICE**

**NOTICE TO CONTRACTORS**

Sealed bids will be received for Residential Garbage Collection and Recycling within Shelby County Alabama at the Shelby County Manager's Office at 200 West College St. Room 123, Columbiana, AL 35051 until April 21, 2022 at 2:00 p.m. and at that time publicly opened.

The principal items of work are approximately as follows:

Provide for the efficient, healthful, and aesthetic operation of collection, hauling, and disposal of residential garbage and recycling.

Proposal documents will be available at the Shelby County Environmental Services office, 1281 Highway 70, Columbiana, AL 35051 after 12:00 noon on Monday, April 4, 2022.

Proposal fee is \$20.00 which includes the cost of proposal documents when picked up at the above office. No refunds will be made. Proposal documents may be obtained electronically via email at no cost. Please contact the Project Manager, Brandon Hamilton, Environmental Services Manager at [bhamilton@shelbyal.com](mailto:bhamilton@shelbyal.com) with any questions regarding this project.

## **INVITATION TO BID**

**Project: RESIDENTIAL GARBAGE COLLECTION AND RECYCLING**

**Owner: Shelby County Commission**

Sealed bids will be received from qualified bidders, opened, and publicly read by the Shelby County Commission for the **RESIDENTIAL GARBAGE COLLECTION AND RECYCLING at the Shelby County Manager's Office, located at 200 College Street, Room 123, Columbiana, Alabama, 35051. The owner will receive Bids until 2:00 p.m. on April 21, 2022.**

All interested bidders may obtain copies of the Construction Documents upon receipt of a \$20.00 non-refundable payment. Checks should be made payable to the Shelby County Commission. Proposal documents may be obtained electronically via email at no cost. Interested bidders may obtain Bid Documents from the Shelby County Environmental Services office located at 1281 Highway 70, Columbiana, AL 35051 and contact Brandon Hamilton at 205-670-3737 or at [bhamilton@shelbyal.com](mailto:bhamilton@shelbyal.com) regarding any questions.

Bidders will be required to provide Bid security in the form of a Bid Bond or cashier's check in the amount \$50,000.00.

Refer to other bidding requirements described in the Instructions to Bidders.

Submit your Bid on the Bid Form provided.

Your Bid will be required to be submitted under a condition of irrevocability for a period of sixty (60) days after submission.

The Owner will not enter into a Contract with a foreign corporation that is not qualified under State Law to do business in the State of Alabama.

### **REQUIREMENTS FOR BIDDERS**

Bidding contractor will be required to provide evidence of E-Verify documentation and Section 84 business license.

### **IMMIGRATION LAW**

By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

**OPEN TRADE**

By signing this contract, vendor agrees that it is not currently engaged in, nor will it engage in, any boycott of a person or entity based in or doing business with a jurisdiction with which the State of Alabama can enjoy open trade.

Please provide your bid response in triplicate, one original and two copies.

The Owner reserves the right to accept or reject any or all Bids.

Chad Scroggins  
County Manager

**INSTRUCTIONS TO BIDDERS**  
**RESIDENTIAL GARBAGE COLLECTION AND RECYCLING**  
**SHELBY COUNTY ALABAMA**

**INTENT AND PURPOSE**

It is the intent and purpose of this bid to enter into a written contract for the efficient, healthful and aesthetic operation of collection, hauling and disposal of non-hazardous and non-infectious solid waste for residents and curbside recycling of recyclable household materials within Shelby County, Alabama. Service will be provided to participating residents of unincorporated Shelby County and participating municipalities at the same rate. Such services to be rendered beginning October 1, 2022.

**INSTRUCTION TO BIDDERS**

All bidders hereunder must furnish satisfactory evidence of the following items to the County in order for their bid to be considered.

1. Evidence that Bidder has been in continuous existence and has provided residential curbside solid waste collection services for the past five (5) years or more.
2. Evidence that Bidder has experience providing residential curbside solid waste collection service for a period of five (5) years or more in the State of Alabama pursuant to the regulations of proper authorities, which will ensure their ability to maintain operations under all conditions.
3. Bidder is licensed and permitted by proper authorities to transport and dispose of non-hazardous and non-infectious solid waste, including special waste in Shelby County and the State of Alabama. Contractor must qualify for and receive all permits within fourteen (14) days after award of this bid by the County.
4. Bidders shall be required to demonstrate to the satisfaction of the County that they have adequate financial resources, experienced personnel, equipment and expertise to perform the services required by these specifications.
5. Make bids upon the forms provided therefore, properly executed and with all items filled out.

6. Do not change the wording of the Bid Form, and do not alter the Bid Form.
7. Unauthorized conditions, limitations, or provisions attached to the proposal shall be cause for rejection of the proposal.
8. Telegraphic bid or telegraphic modification of bid will not be considered.
9. Bids received after the time specified for receiving them will not be considered.
10. Late bids will be returned to the sender unopened.
11. Each bid shall be addressed to the Owner, and shall be delivered to the Owner at the address given in the Invitation to Bid on or before the day and hour set for receiving bids.
12. Each bid shall be enclosed in a sealed envelope bearing the title of the Project, the name of the Bidder and address and the date and hour of the bid opening.
13. It is the sole responsibility of the bidder to see that his bid is received on time.
14. All such bonds shall be issued by Surety acceptable to the Owner. Include the costs of all such bonds in the proposed Contract Sum.

No contract will be awarded to any Bidder who, as determined by the County Commission or County Manager, has an unsatisfactory performance record or inadequate experience or who lacks the necessary capital, organization and equipment to conduct and complete the collection, hauling and disposal services in strict accordance with the specification of this Bid. The decision of the County will be final.

#### LEGAL CONDITIONS

All Bidders shall comply with the applicable solid waste legislation of the State of Alabama and the rules and regulations of the Shelby County Health Department and the rules and regulations of the Shelby County Commission and any other solid waste rules/regulations as promulgated during the contract period. In addition, all bidders shall comply with the Federal Motor Carrier Safety Regulations issued by the U. S. Department of Transportation, Federal Highway Administration.

#### BID BOND

The Bidder shall furnish a bid bond in the amount of \$50,000. The contract shall be deemed as having been awarded upon the vote of resolution of the County Commission, and formal notice of

such award shall be made by the County Manager to the successful bidder. The Bidder to whom the contract shall be awarded will be required to execute four copies of the contract on the form attached hereto or such form as may be mutually agreed upon by the Bidder and the County Commission. The selected bidder's refusal or failure to enter into a contract within thirty days of its receipt of formal notice of award, the Bidder will be considered to have abandoned all rights and interest in the award, and the bid bond may be declared forfeited to the County as liquidated damages. The award may then be made to the next best qualified Bidder or the work re-advertised for proposals, as the County may elect. Bid bonds will be returned promptly (1) after the County and selected bidder have executed a contract; or, (2) if no proposal has been selected within (90) days after the date of the bid opening, upon demand of the Bidder, and anytime thereafter so long as it has not been notified of the acceptance of its bid. Each bid must also be accompanied by a certificate of insurance evidencing the coverage set forth.

#### CONDITIONS

Each bidder shall fully acquaint themselves with conditions relating to the scope and restrictions attending the execution of the work under the contract. Bidders shall thoroughly examine and be familiar with the specifications.

It is also expected that the Bidder will obtain information concerning the conditions that may affect its work.

The failure or omission of any Bidder to receive or examine any form, instrument, addendum or other document, or to acquaint themselves with the existing conditions, shall in no way relieve them of any obligations with respect to this Proposal or the Contract. The County shall make all such documents available to the Bidders.

Except with respect to events or conditions which are not reasonably discoverable, the Bidder shall make his own determination and shall assume all risk and responsibility and shall complete the work in and under conditions he may encounter or create without extra cost to the County.

The Bidder's attention is directed to the fact that all applicable State laws, municipal ordinances and the rules and regulations of all authorities having jurisdiction over the work to be performed shall apply to the Contract throughout, and they will be deemed to be included in the Contract as though written out in the Contract.

### ADDENDA AND EXPLANATION

Explanation desired by a prospective Bidder shall be requested of the County Manager in writing, and if explanations are necessary, a reply shall be made in the form of an Addendum, a copy of which will be forwarded to each Bidder. Every request for such explanation shall be in writing addressed to the Manager, Development Services at his address. Any verbal statement regarding same by any person prior to the award, shall be unauthorized and not binding.

Addenda issued to Bidders prior to date of receipt of Proposals shall become a part of the Contract Documents, and all Proposals shall include the work described in the Addenda.

### COMPENTENCY OF BIDDER

The opening and reading of the Proposal shall not be construed as an acceptance of the Bidder as a qualified, responsible Bidder. The County reserves that right to determine the competency and responsibility of a Bidder from its knowledge of the Bidder's qualifications or from any other sources.

The County shall require the following supporting data regarding the qualifications of the Bidder in order to determine whether it is a qualified, responsible Bidder. As part of the bid submittal, the Bidder will be required to furnish the following information:

- A. A copy of the latest available certified financial statement of the Bidder (of its parent corporation if individual subsidiary or division financial statements are not prepared and generally available) certified by a nationally recognized firm of independent certified public accountants.
- B. Evidence that the Bidder is in good standing under the laws of the State of Alabama, and, in the case of corporations organized under the laws of any other State, evidence that the Bidder is licensed to do business and in good standing under the laws of the State of Alabama or a sworn statement that it will take all necessary action to become so licensed if it's Bid is accepted.

- C. Evidence, in form and substance satisfactory to County, that Bidder has been in existence in excess of five (5) years and possesses not less than five (5) years actual operating experience in the State of Alabama as a going concern in refuse collection and disposal.
- D. Evidence, in form and substance satisfactory to County, that Bidder's experience as a going concern in refuse collection and disposal derived from operations of similar size (based on contract size of approximately 20,000 customers) to that contemplated by the Contract Documents.
- E. List of entities that the Contractor is currently providing a similar service.
- F. List of equipment the Contractor proposes to use in fulfilling the contractual obligations and designation if equipment is currently owned, leased, or to be purchased.

#### DISQUALIFICATIONS OF BIDDERS

Although not intended to be an exhaustive list of causes for disqualification, any one or more of the following causes, among others, may be considered sufficient for the disqualification of a Bidder and the rejection of the Bid:

- A. Evidence of collusion among Bidders.
- B. Lack of competency as revealed by financial statements, experience or equipment statements as submitted or other factors.

#### BASIS OF PROPOSAL

Proposals for garbage collection and related services shall be based on a monthly per unit rate for the following frequencies of collection unless otherwise stated:

Garbage Residential I:	Household waste collection- One (1) container (minimum 90 gallons) provided by the contractor with the frequency of One (1) time per week curbside.
	Recycling service- One (1) container (minimum 90 gallons) with the frequency of One (1) time bi-weekly curbside
	\$ _____ per month

Garbage Residential II:

Household waste collection- Two (2) containers (minimum 90 gallons) provided by the contractor with the frequency of One (1) time per week curbside.

Recycling service- One (1) container (minimum 90 gallons) with the frequency of One (1) time bi-weekly curbside      \$ \_\_\_\_\_ per month

Garbage Residential III:

Household waste collection- No container provided by the contractor; Two (2) time per week at rear of unit in three (3) thirty-three (33) gallon or smaller leak proof and animal proof containers provided by the resident

Recycling service- One (1) container (minimum 90 gallons) with the frequency of One (1) time bi-weekly curbside      \$ \_\_\_\_\_ per month

Garbage/Yard Waste Residential IV:

Household waste collection- One (1) container (minimum 90 gallons) provided by the contractor with the frequency of One (1) time per week curbside.

Yard waste collection- Yard and grass clippings, dry leaf rakings placed in plastic bags, tree branches, trimmings not to exceed three (3) inches in diameter or forty-eight (48) inches in length, branches shall be bundled and tied in individual bundles, and bags not to exceed fifty (50) pounds with the frequency of One (1) time per week curbside and shall be picked up with the garbage.

Recycling service- One (1) container (minimum 90 gallons) with the frequency of One (1) time bi-weekly curbside      \$ \_\_\_\_\_ per month

Recyclable Materials: Included with each option of Garbage Residential I, Garbage Residential II, Garbage Residential III, and Garbage/Yard Waste Residential IV with the frequency of One (1) time bi-weekly at no additional cost to the customer. Customer may elect to decline recycling service without reduction in service cost.

Natural Disaster:

In the event of a Natural Disaster, the Contractor shall provide a sufficient number of containers of the roll-off type at one or more sites designated by the County. Debris will be loaded into the containers by the County and transported by the Contractor to a site within the County as designated by the County. The contractor shall provide adequate number of personnel, containers, and trucks to move the material as loaded. The County will provide free disposal of all material collected.

\$\_\_\_\_\_per ton

County Facilities:

Contractor shall provide and service front-end loading type containers of the size and service frequency shown on the attached *List of County Facilities*.

Contractor shall provide up to 125 garbage and/or recycling 90 gallon roll-out carts for use at County parks and other County designated locations that will not be serviced by the Contractor but will be serviced by County personnel and equipment. The contractor shall repair or replace up to 15 90 gallon roll-out carts at County facilities per year at no cost to the County. Any additional carts shall be replaced and billed to the County at the Contractor's cost. No direct payment will be made for the above services.

## QUANTITIES

The County estimates that the number of Residential Units to be initially serviced under the Contract is as follows (As of 4<sup>th</sup> Quarter 2021):

Garbage Residential I:	17,407 Customers
Garbage Residential II:	1841 Customers
Garbage Residential III:	151 Customers (Woodford only)
Garbage/Yard Waste Residential IV:	900 Customers
Recyclable Option:	14,913(unless customer declines service)
County Facilities	Stated on the List of County Facilities

## METHOD OF AWARD

The County reserves the right not to accept any Proposal or to reject any or all Proposals or waive any informality in any bid. In particular, any alternation of the Contract Documents of the Proposal may subject the Proposal to rejection by the County Commission or County Manager. Proposals shall state unit prices separately for each service option. The rate as written in the Proposal shall govern and any errors found will be corrected. The award of the bid for Residential Garbage Collection and Recycling will be based on the rate for **Garbage Residential I** as described in the Basis of Proposal and Contract. A proposal may be rejected if, in the opinion of the County Commission or County Manager, any unit rates are determined to be unbalanced. The County Commission intends that the Contract shall be awarded within thirty (30) days following the date that Proposals are publicly opened and read.

## EXECUTION OF AGREEMENT

The Bidder to whom the Contract is awarded by the Owner shall, within 10 days after Notice of Award and receipt of Agreement forms from the Owner, sign and deliver to the Owner all required copies of the Contract.

At or prior to the delivery of the signed Agreement, the Contractor shall deliver to the Owner the Performance Bond, and the policies of insurance or Insurance Certificates as required by the Bid Documents.

STATE OF ALABAMA)  
SHELBY COUNTY)

AGREEMENT FOR RESIDENTIAL GARBAGE COLLECTION AND RECYCLING  
FOR SHELBY COUNTY

THIS AGREEMENT made and entered into on this the \_\_\_\_ day of \_\_\_\_\_ 2022, by  
and between Shelby County, a political subdivision of the State of Alabama, (County),  
and \_\_\_\_\_ (Contractor).

RECITALS

WHEREAS, the Shelby County Commission of Shelby County, Alabama, hereinafter  
sometime referred to as "County", "County Commission" and "Shelby County  
Commission" recognizes that it is wise and desirable that adequate provision be made  
for regular and efficient collection of garbage and domestic rubbish (as defined in Solid  
Waste Act. No 771 as enacted into law by the 1969 Legislature, and as amended, and  
termed refuse in the Shelby County Board of Health regulations governing the  
collection, storage, transferring and disposing of solid waste) in certain areas within the  
jurisdiction of the Shelby County Commission, within the corporate limits of any county  
municipality electing to participate, in order that the health of the citizens of the County  
be protected and the general welfare of the County be advanced; and

WHEREAS, the Contractor hereby applies to the County for a franchise in the exclusive  
residential collection and transportation to disposal facility of such refuse, garbage, and  
domestic rubbish within the entire unincorporated area of Shelby County or after  
approval of the Shelby County Commission or County Manager within the corporate  
limits of any county municipality electing to participate.

WHEREAS, the County hereby grants this requested franchise under the authority of the  
statutes of the State of Alabama, Solid Waste Act No. 771 as enacted into law by the

1969 Legislature, and as amended; and WHEREAS, the County has adopted the necessary and proper resolution authorizing and directing its officers to bind itself by executing this contract;

NOW, THEREFORE, in consideration of these premises and for other good and valuable considerations, the receipt whereof is hereby acknowledged by each party hereto from the other, and in consideration of the premises, agreements and covenants contained herein, the County and the Contractor hereby mutually agree as follows:

I. DEFINITION

- a. The definitions shall be those as set forth in Solid Waste Act No. 771, and any amendment, and the solid waste regulation now or hereinafter adopted by the Shelby County Health Department.

II. AREA AND TERMS

- a. The Contractor shall have the right and responsibility to collect solid waste in the entire area of Shelby County outside the Corporate limits of any municipality, or after the approval of the Shelby County Commission or County Manager, within the corporate limits of any municipality electing to participate, and excluding any State Park properties; shall collect solid waste, residential garbage, and domestic rubbish from those owners (leases and renters) on a regularly scheduled basis as designated and required from time to time by Shelby County.
- b. The Contractor shall comply with the applicable solid waste legislation of the State of Alabama, comply with all requirements, thereof and comply with the rules and regulations of the Shelby County Health Department and the rules and regulations of the Shelby County Commission which are in existence as of the award and execution of the contract, amended or promulgated during the term of this contract.

- c. The Contractor shall comply with the Federal Motor Carrier Safety Regulation issued by the US Department of Transportation, Federal Highway Administration.
- d. This Agreement shall begin on issuance of a permit from the Shelby County Health Department, but not before the contract start date of October 1, 2022, except upon award contractor may bill for the first quarter after September 1, 2023, and terminate under any of the terms and conditions contained herein. However, this agreement may be renewed as provided herein.

### III. EQUIPMENT AND CARE THEREOF

In the collection and transportation of solid waste, the Contractor shall use trucks of the packer-type or other vehicles as approved by the County Manager through the Department of Development Services and by the Shelby County Health Department and shall have painted on its doors or some other place approved by the Shelby County Health Department the name of the Contractor, none of which letters shall be less than three (3) inches high. This equipment shall be cleaned, maintained and stored in a manner approved by the Shelby County Health Department or Shelby County. The Contractor shall have a sufficient number and quality of packer-type trucks to accomplish work to the satisfaction of the County.

The cost of all equipment, its operation, maintenance and upkeep shall be borne by the Contractor. The equipment shall be maintained at all times to meet all existing safety regulations, including the Federal Motor Carrier Safety Regulations as specified herein.

The Contractor shall provide a minimum of one (1) ninety (90) gallon container with rollout wheels and lid for residential household solid waste collection and one (1) ninety (90) gallon container with rollout wheels and lid for residential recyclable materials collection. The containers must be new

or used containers in good repair and subject to County or County Manager's satisfaction and approval. The containers shall be dark green in color or other color upon approval by County with "Shelby County Alabama" in white lettering with each letter between 3" and 6" tall on the two sides of each container. Containers in use at the time of bid which are marked with "DiscoverShelby.com" may be used if in good condition. The Contractor shall be responsible for maintenance and repair of same. In the event the container is lost or stolen, the contractor shall replace the first container free of charge to the customer. Any subsequent missing or stolen containers shall be replaced and billed to the customer at the contractor's cost. Contractor shall keep a supply of containers to satisfy the need for new customers and for replacement of damaged, lost, or stolen containers for existing customers.

Sufficient equipment shall be provided to ensure uninterrupted service.

Failure to furnish uninterrupted service as scheduled may subject the Contractor to the cancellation of the contract by the County.

#### IV. COLLECTION SERVICE

- a. Garbage Residential I – the Contractor shall collect residential garbage once per week and residential recyclable materials once bi-weekly from each residential unit within the service area. Residential garbage shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor. Residential recyclable materials shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor and independent from the contractor provided residential garbage cart.

Customer may elect to decline recycling service without reduction in service cost.

- b. Garbage Residential II – the Contractor shall collect residential garbage once per week and residential recyclable materials once bi-weekly from each residential unit within the service area. Residential garbage shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in two (2) ninety (90) gallon roll-out cart which shall be provided by the Contractor. Residential recyclable materials shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor and independent from the contractor provided residential garbage cart. Customer may elect to decline recycling service without reduction in service cost to the customer.
- c. Garbage Residential III – For residents requiring back door service due to a local covenant, ordinance, or Shelby County resolution, the Contractor shall provide backdoor garbage collection service, twice per week. Residential garbage shall be placed by the Customer at the backdoor readily accessible by the Contractor during the collection hours in three (3) thirty-three (33) gallon or smaller leak proof and animal proof containers provided by the resident. Residential recyclable materials shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor. Customer may elect to decline recycling service without reduction in service cost to the customer.
- d. Garbage/Yard Waste Residential IV – the Contractor shall collect residential garbage once per week and residential recyclable materials once bi-weekly from each residential unit within the service area in addition to once per week pick up and disposal services for yard and grass

clippings, dry leaf rakings placed in plastic bags, tree branches, and trimmings not to exceed three (3) inches in diameter or forty-eight (48) inches in length which shall be placed by the Customer at the curbside. The branches shall be bundled and tied in individual bundles and bags not to exceed fifty (50) pounds. This waste shall be picked up with the residential garbage collection. This service shall be at the Customer's option. Residential garbage shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor. Residential recyclable materials shall be placed by the Customer at curbside or on a public road readily accessible by the Contractor during collection hours in one (1) ninety (90) gallon roll-out cart which shall be provided by the Contractor and independent from the contractor provided residential garbage cart. Customer may elect to decline recycling service without reduction in service cost to the customer.

- e. Natural Disaster – In the event of a natural disaster, such as but not limited to a hurricane, tornado, ice or snow storm which results in a large amount of trash, limbs or debris to be deposited on the highways and right-of-ways of the County. The County shall cause the material to be deposited at a site designated by the County. The Contractor shall provide sufficient number of containers of the roll-off type to the designated site or sites. The County will load said containers and the Contractor will haul said material to site designated by the County within the County. The Contractor shall provide adequate number of personnel, containers and trucks to move the material as loaded. Operations will not exceed sixty (60) days unless authorized by the County. The County will provide free disposal of all material collected. Due to the nature and unknown scope of a natural disaster, the County at its sole discretion may elect to supplement the service described in this paragraph with additional

vendors. In no event shall the contractor assume an exclusive franchise for the work described in this paragraph.

- f. Recycling-Recycling will be accomplished through collection of recyclable materials placed at the curbside by the customer in contractor provided cart. The Contractor will work and assist the County in educational programs to Schools, Churches, and Civic Groups within the respective districts regarding the recycling program.
- g. Hardship – Upon certification of hardship by the Shelby County Department of Human Resources and the Shelby County Health Department and approved by the Shelby County Commission, the Contractor shall provide such service to a number of said residents up to an amount equal to two percent (2%) of the Contractors total customer base inclusive of all districts served. In the event said number exceeds two percent (2%), the County shall pay one half of the rate for Residential I Service and the Contractor shall pay the other half. There shall be no cost to said customer.
- h. Service for Disabled Persons – The Contractor will provide at the same current rate as curbside, backdoor or on premises for no more than 150 residential units not currently served by backdoor or on premise service or where such service is not otherwise mandated or required by covenants or restrictions applicable to said property. Such customers shall store garbage in leak proof and animal proof containers not to exceed thirty (30) gallons or five (5) in number, provided further that all residents of the dwelling are disabled or physically unable to place their garbage at curbside. All requests for this service shall be made to the Shelby County Department of Development Services who shall inspect and certify to the Contractor the name and address of each customer so certified by the County.

- i. County Facilities – The Contractor shall at no charge (except as specified) service front-end loading type containers in the size and frequency of pickup as requested by the County for collection of garbage at various county facilities (see attached List of County Facilities). Two (2) roll off boxes shall be provided and emptied free of charge at the Shelby County Highway 70 Landfill as a convenience center. Contractor will provide up to 125 garbage and recycling 90 gallon roll-out carts for use at County parks and other County designated locations that will not be serviced by the Contractor but will be serviced by County personnel and equipment. The contractor shall repair or replace up to Fifteen - 90 gallon roll-out carts at County facilities per year at no cost to the County. Any additional carts shall be replaced and billed to the County at the contractor's cost. Additional roll off or container storage is available to the Contractor at the Shelby County Highway 70 Landfill in locations designated by the County.

V. BILLING

- a. Billing shall be the responsibility of the Contractor. All residential rates shall be payable quarterly in advance.
- b. Delinquent Payments – In the event payment is not made by the subscriber to the Contractor by the tenth (10<sup>th</sup>) day following the date of which the payment is due, the owner shall be deemed delinquent. The Contractor shall issue a five (5) day notice after the said tenth (10<sup>th</sup>) day of such impending delinquency with a copy to the Shelby County Department of Development Services. Thereafter the Contractor shall not be required to pick up the delinquent owner's garbage and domestic rubbish until all fees and charges due the Contractor are paid including a \$3.00 delinquent penalty charge per month. The Contractor must pick up the garbage and domestic rubbish of any subscriber located within the

Contractor's franchised district if the subscriber pays the charges within the time limit set out above.

- c. Statement of Accounts – Statements to be sent to the subscriber by the Contractor must show itemized charges.

#### VI. SERVICE RATES

Attached to and made part of this agreement is a schedule of rates as proposed by the Contractor and accepted by resolution of the Shelby County Commission.

Garbage Residential I Service	\$ _____ per month
Garbage Residential II Service	\$ _____ per month
Garbage Residential III Service	\$ _____ per month
Garbage/Yard Waste Residential IV Service	\$ _____ per month
Natural Disaster	\$ _____ per ton

#### VII. REFUSE FROM COMMERCIAL ACCOUNTS, INSTITUTIONAL ACCOUNTS, ETC.

Waste collection from any commercial, institutional or multifamily housing facilities, etc., is not addressed within the franchise. These facilities may negotiate with various collectors for their required services.

#### VIII. ADJUSTMENT OF FEES AND CHARGES

- a. All rates for fees and charges set out herein (except landfill adjustments as provided for in Section XI) shall be subject to approval by the Shelby County Commission. The Shelby County Commission reserves the right to hold public hearings. The Contractor (or Contractors) making a request for a rate change shall make such a request to the Commission sixty (60) days prior to the anniversary date of this agreement setting forth the reasons therefore. Any approved change in fees and charges shall be incorporated in a resolution adopted by the Shelby County Commission

and shall amend this agreement. The rates are subject to increase annually beginning October 1, 2023 by a percentage not more than the percentage of increase in the Consumer Price Index (CPI) for all Urban Consumers (Water, Sewer and Trash Collection Services), using October 1, 2022 as the base period from which increases will be calculated. Increases will be calculated based on October 1, 2022 through June 30, 2023 in the initial year. Subsequent years will be calculated over a 12 month period from July 1 through June 30 as values are released by the Bureau of Labor Statistics with the increase effective on October 1 following the request subject to approval of the Shelby County Commission. Increase shall be subject to a five percent (5%) cap annually. The Development Services Manager or appropriate staff member shall submit to the County Manager and Commission during September of each year a Contractor request to increase the rates based on the Consumer Price Index (CPI) increase. In case the Contractor makes a request for an increase in rates and the Shelby County Commission determines that an audit of the Contractor's books should be made, the Contractor shall pay the cost of such audit.

IX. OFFICE AND TELEPHONE

- a. The Contractor shall maintain a toll free telephone number to be operational Monday through Friday, 8:00 a.m. to 5:00 p.m. local time, except for Holidays. The Contractor shall maintain, at its cost, a telephone listed in the name in which it does business. Calls must be answered, and services rendered in a courteous and professional manner, during normal business hours by a live (not recorded) customer service professional employed by the contractor. The Contractor must track all requests for service and respond in a timely and professional manner.
- b. The contractor shall supply Shelby County Development Services with the local Contractor contact information, telephone and email, so that County

may discuss any item needed to provide adequate, timely, environmentally and publically safe service to the residents of Shelby County. The local contact shall meet upon request at a minimum quarterly with County personnel to discuss services provided under this agreement.

X. QUALITY OF SERVICE

- a. The Contractor shall use only personnel who are qualified to perform the work required herein and shall require its employees to serve the public in a conscientious manner. The Contractor shall furnish to the County a route sheet, customer list, and the collection day of residential accounts serviced by the Contractor at a minimum frequency of once per quarter. The Contractor shall notify the County and customer in writing of any changes prior to the effective date of the change. No changes shall be made unless coordinated with a billing cycle.
- b. The Contractor agrees that unless promoted, transferred to another operating location not servicing Shelby County, terminated, disciplined or requested to be removed by the County, that the Contractor will permanently assign a driver to each route within the county and leave said driver on that route. The Contractor shall provide and maintain adequate and competent supervision during the progress of the work with an on-site supervisor who will be in charge of the work to represent the Contractor, and all directives given to him by the County when in accordance with the provisions of this contract shall be binding upon the Contractor.
- c. The Contractor shall not be required to collect garbage or trash materials on the five (5) following holidays: New Year's Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. If a normally scheduled pick-up falls on one of the above holidays, collections shall be on the following

working day. It shall be the responsibility of the Contractor to notify residents of holiday schedules by placing notice on the customer's bill sent prior to the holiday.

- d. The Contractor shall make all collections described herein between safe daylight hours and sunset Monday through Friday as established by the National Weather Service.

#### XI. WASTE DISPOSAL AND FEES

- a. The Contractor shall dispose of all garbage and domestic rubbish at disposal sites approved by the Alabama Department of Environmental Management. In disposal sites operated by the County, the Contractor shall pay the fees established by the County. All residential garbage and refuse generated and collected in unincorporated Shelby County and within all municipalities who elect to participate in this contract shall be disposed of at the Shelby County Highway 70 Landfill. The Residential Unit fee shall be adjusted in the event the Disposal Fee at the Shelby County Highway 70 Landfill changes. This adjustment shall be equal to ten cents (\$0.10) per Residential Unit per month for each one dollar (\$1.00) per ton that the Gate Fee at the Shelby County Highway 70 Landfill increases. The adjustment is limited to one (1) time per year.

#### XII. COMMENCEMENT AND TERMINATION DATE

- a. This Contract shall take effect October 1, 2022 and the issuance of a permit to the Contractor by the Health Officer of Shelby County for a term of three (3) years. This permit and this Agreement shall authorize the Contractor to collect garbage and solid waste on a regularly scheduled basis within the area previously defined. This contract may be renewed by mutual consent of both parties provided notice by certified mail is given

by both parties 120 days prior to the expiration of any subsequent renewal agreement.

- b. The County without cause after one (1) year from the effective date of this original agreement may terminate this agreement upon 120-day notice by certified mail to the contractor.

### XIII. INSURANCE

- a. The Contractor shall maintain workman compensation insurance during the life of this contract for all of its employees. The Contractor shall also maintain, during the life of this Contract, such public liability, general liability and property damage insurance as shall protect its agents, servants, employees and any approved sub-contractor performing work covered by this agreement, from claims for damages for personal injury, including accidental death, as well as claims for property damages which may arise from operations under this agreement, whether such operations be by itself or by any sub-contractor, or by anyone directly or indirectly employed by either of them.
- b. The amount of such insurance shall be at least for the limits specified below:

For the purpose of the agreement, the Contractor shall carry the following types of insurance in at least the limits specified as follows:

Coverage	Limits of Liability
Workman's Compensation	Statutory
Employer's Liability	\$1,500,000 Each Occurrence
Bodily Injury Liability	\$1,500,000 Each Occurrence (Except automobile)
Property Damage Liability	\$1,500,000 Each Occurrence (Except automobile)

Automobile Bodily Injury	\$5,000,000 Each Occurrence
Property Damage Liability	\$5,000,000 Each Occurrence
Excess Umbrellas Liability	

- c. The Contractor shall furnish the County satisfactory proof of the insurance required herein with an insurance company acceptable to the County upon the execution of this agreement, and the County shall be named as an additional insured party in such policies.

#### XIV. PERFORMANCE BOND

The Contractor shall furnish to the County a Performance Bond or irrevocable bank letter of credit for the faithful performance and obligations of this contract in the amount equal to one million five hundred thousand dollars (\$1,500,000). Said performance shall be executed by a surety company licensed to do business in the State of Alabama. A letter from the Bonding Company or bank shall be attached to the Contract stating that Contractor can obtain said Performance Bond or letter of credit. The bonding company will be responsible for Contractor's default in the event the Shelby County Health Officer determines that the Contract should be cancelled in accordance with Section 22-27-5(a) or default is determined by the Shelby County Commission in accordance with Section XVIII of this agreement.

#### XV. RIGHT TO ASSIGN

This contract shall not be reassigned by the Contractor without the written consent of the County.

XVI. RECORDS

The Contractor agrees to maintain accurate records of business in the manner and form established and/or approved by Shelby County Commission.

- a. The Contractor further agrees to make available to the County the inspection of the books, the records, and the accounts during normal business hours as provided in paragraph VIII. Including but not limited to quarterly updated customer list and route sheets, in order of pick up, and clearly identifying the customer to be serviced and the day of pick up.
- b. On a monthly basis, the contractor shall provide Shelby County Development Services with a total amount of recyclable materials recovered from curbside pickup accounts. The report will be due to the County by the 15<sup>th</sup> day of the following month.
- c. On a monthly basis, the contractor shall provide Shelby County Development Services with a total amount of recyclable materials recovered from the six (6) recycling locations. The report will be due to the County by the 15<sup>th</sup> day of the following month
- d. On a quarterly basis, the contractor shall provide Shelby County Development Services with a total number of customers for each of the services options (Residential I, Residential II, Residential III, Residential IV, and Recyclable Option) for each jurisdiction including unincorporated Shelby County and each of the participating municipalities in this contract. The report will be due to the County by the 15<sup>th</sup> day of the following month.

XVII. INDEMNITY CLAUSE

Shelby County shall not be liable to the Contractor for any claims of damages, which may arise on account of the exercise by the Contractor of

the right herein granted. The Contractor hereby agrees to indemnify, protect, and save Shelby County harmless against all claims, suits, demands, liens, judgments, and decrees instituted or asserted by any party because of any act or pursuant to or in connection with the operation of this franchise.

#### XVIII. DEFAULT

- a. In the event the Contractor fails to perform the work as described in this contract or neglects or refuses to comply with any of the other provisions of this contract, or in the event the Contractor willfully, knowingly, or repeatedly violates any rules and regulations of the County, or any of the laws of the State of Alabama, or any rules or regulations of the Health Department, now or hereinafter enacted pertaining to the collection, removal or disposal of garbage, trash, or refuse, the County may give notice to the Contractor at its local office address, and the failure of Contractor to remedy or correct such unsatisfactory condition within ten (10) days from the date of mailing of such notice, shall constitute a default herein, and shall constitute legal basis for Shelby County, at its option to terminate this agreement effective immediately.
- b. In the event of the termination of this contract, in the event the County is required to initiate litigation to enforce any of its rights under and by virtue of this contract, the Contractor hereby agrees that if the County prevails it will reimburse the County for all costs, fees and expenses including reasonable attorney's fees incurred by the County in any such undertaking. The termination of this contract shall not relieve the Contractor of the responsibility from any damages, which the County may incur by reason of such default. In the event that the performance by the Contractor of any of its

obligations or undertakings hereunder shall be interrupted or delayed by an act of God or common enemy as result of war, riot, civil commotion (strike or labor unrest), or sovereign conduct or any other event beyond its reasonable control, then it shall be excused from such performance for the duration of such disturbance.

- c. Additionally, the Contractor hereby agrees that in the event of such termination, interruption or delayed service, at the option of the County, all trucks, machinery and equipment utilized by the Contractor in the performance of this contract shall thereupon be delivered to the County and may be used by the County for a period of one hundred eighty (180) days without cost or charge from the date of such termination, interruption or delayed service.

SIGNATURES ON FOLLOWING PAGE

IN WITNESS WHEREOF, the County has caused this instrument to be signed by the Chairman of the County Commission of Shelby County, and the execution of this instrument to be attested, all of whom have been duly authorized to do so by virtue of a motion duly passed by the County Commission of Shelby County on the \_\_\_\_ day of \_\_\_\_\_, 2022, and the Contractor has caused this agreement to be executed in its name by \_\_\_\_\_, by its \_\_\_\_\_, and has caused its corporate seal to be hereto affixed, all on the day first hereinabove written.
