

# IP Camera Catalog

## ***1.0) Bid Purpose***

Shelby County is issuing this bid in order to purchase an array of IP camera technology hardware and software that is compatible with equipment currently in production with Shelby County.

## ***2.0) Requirements***

2.1. Vendor shall maintain a broad based technology line of IP camera inventory in all the categories listed in Section 3 below.

2.2. Bid pricing is to be established as a ceiling price. At no time may the bid products be offered pursuant to this Contract at prices above this ceiling price without approval by County.

2.3 Hot List pricing may also be used to discount and liquidate close-out and discontinued products as long as those close-out and discontinued items are clearly labeled as such.

2.4 New listings into the catalog may be submitted throughout the term of the bid. Vendor reserves the right to review subsequent catalog offerings to determine if the represented products reflect the contracted products and equipment. Each new listing may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New optional accessories for equipment may be added to the Contract at the time they become available.

2.5. All products sold by the bidder must be new. Products that have a 30/60/90 day money back guarantee should be clearly identified in the catalog.

2.6. The vendor agrees that full refund, credit, or exchange will be granted to any defective-on arrival (DOA) merchandise, if reported within thirty (30) days of receipt of the order.

2.7. Due to the nature of direct mail-order business, Shelby County will require a single contact for problem solving. The bidder agrees to assign a senior-level employee (one authorized to make decisions) to the account. This employee must have working knowledge of the contract.

2.8. Shipping charges must be clearly identified in the bid.

2.9. Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor may charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided.

## ***3.0) Specifications***

Indicate below if item categories are offered within catalog bid proposed.

<b>Hardware/Software Sampling Model Number:</b>	<b>Unit Price</b>

QNV-7012R	4MP Camera	
QNV-7082R	4MP Camera	
QNV-8080R	5MP Camera	
WAVE-PRO-01	Camera License	

***4.0) Bid Submission:***

County is seeking a catalog based price schedule. Bidders shall provide access to a price schedule for all catalog items reflected in Section 3 above.

County reserves the right to purchase none, one or several of any items quoted based upon the bid unit prices. . It is not the intent of this bid to provide for all small purchases nor will this bid displace existing or future competitive bids and proposals for large or other specific categories of similar products.

The Bidder must submit no less than (3) three references from current clients. The County reserves the right to use itself as a reference and to solicit references from clients other than those listed.

***4.0) Evaluation Criteria:***

Evaluation will be based on the County's sole judgment of the compatibility, quality and features of the services and hardware/software offered, support capabilities of the firm and unit prices. Given the vast size of the catalog, a core sample of key items may be compared to derive the most responsive bid.
