Good evening,

We have recently been made aware of guidance from the Alabama Department of Revenue that would allow us to bid this project as tax exempt. I think Scott Holladay and I have recently spoken to almost everyone and stated that it wasn't.

So to clarify, Project SCP 59-937-23 **should be bid as a tax exempt project.** Please contact Scott Holladay or myself with any questions.

Also IMPORTANT – PLEASE RESPOND TO THIS EMAIL THAT YOU HAVE RECEIVED THIS CORRESPONDANCE.

Thanks, and sorry for the confusion!
