#### **Project Manual, Plans and Specifications:**

- Remove Plan Sheets 1-A, 2-A and 58  
Replace with attached Sheets 1-A, 2-A and 58

#### **Questions and Clarifications:**

Q1. – Can landfill traffic be diverted during the time required to perform the work on the north end of the project that conflicts with the existing roadway and traffic?

A1. –Yes, traffic can be diverted to another route for customers going to MSW while this work takes place. This time period should be minimized as much as possible. The County will be responsible for signage required for this diversion.

Q2. – Will there be a bituminous materials price adjustment?

A2. – Yes, price adjustment for bituminous materials will be applied in accordance with the Alabama Department of Transportation Standard Specifications for Highway Construction.
