MEMORANDUM

TO: Prospective Bidders

FROM: Ty Wilson, P.E.
Senior Civil Engineer

The following shall be made a part of this bid proposal as if it were included in the original proposal.

PRE-BID MEETING

All prospective bidders shall attend a mandatory Pre-Bid meeting scheduled for Thursday, February 15, 2024 at 10:00 AM at the office of the Shelby County Engineer located at 506 Highway 70, Columbiana, AL 35051.

INSURANCE AND LICENSING REQUIREMENTS

The Shelby County Commission shall not execute this contract until the successful bidder has supplied in a timely manner, as outlined in the attached Contract Specifications:

- A. A Section 84 State/County privilege license and all other required license(s).
- B. Proof of Insurance containing additional coverage for the Shelby County Commission, its successors, or assigns.

IMMIGRATION COMPLIANCE REQUIREMENTS

The successful bidder shall comply with current Shelby County vendor requirements for Immigration Law Compliance. This includes but is not limited to the E-Verify MOU (Memorandum of Understanding). Required documents and further information are on the Shelby County website: www.shelbyal.com.

Sales Tax Exemption

The purchase of construction materials used on this project pertains to the construction of highways, roads, or bridge projects. Based upon guidance from the Alabama Department of Revenue, the purchase of construction materials for this project are exempt from sales tax and the project should be bid as such. It is the responsibility of the Contractor to comply with all applicable state laws concerning sales tax. It is also the responsibility of the Contractor to prepare and file tax-exempt certifications as required by the Alabama Department of Revenue.

DISQUALIFICATION OF BIDS

Bids may be disqualified before awarding of the Contract for any of the following:

- A. Failure to mark envelope as required;
- B. Failure to sign or notarize the bid document;
- C. Failure to include requested information for other details of the bid; or,
- D. Failure to include bid bond.

METHOD OF AWARD

The award will be made to the lowest responsible bidder meeting specifications. It is not the policy of the Shelby County Commission to purchase on the basis of low bid only. Quality, conformity with specifications, purpose for which required, terms of delivery, and past service and experience are among the factors that may be considered in determining who the responsible bidders are.

The Shelby County Commission reserves the right to award this Contract for each item if in the best interest of the Shelby County Commission. Upon awarding of this Contract and bid, the Shelby County Commission receives the sole right to end said Contract at its sole discretion.

PROPOSAL FOR
THE PAVING AND RESURFACING OF VARIOUS COUNTY ROADS IN
EAST SHELBY COUNTY, ALABAMA
PROJECT NUMBER SCP 59-965-24 (East)

DATE _____

PROPOSAL

LICENSE
NUMBER _____ OF _____

For Paving and Resurfacing various County Roads in East Shelby County, State of Alabama.

The plans are composed of drawings identified as follows:

SHELBY COUNTY PROJECT NO. SCP 59-965-24 (East)

The specifications are hereto attached.

TO THE SHELBY COUNTY ENGINEER:

SIR: The following proposal is made on behalf of the undersigned and no others. Evidence of authority to submit the proposal is herewith furnished.

The undersigned has carefully examined the plans for this project, the Alabama Department of Transportation Standard Specifications for Highway Construction, 2022 Edition, including the special provisions hereto attached, and has also personally examined the work site. On the basis of the specifications and plans, the undersigned proposes to furnish all necessary machinery, tools, apparatus and other means of construction, and do all the work and furnish all material in the manner specified.

The undersigned further agrees to complete the entire project by September 20, 2024.

The undersigned understands that the quantities below are approximate only and are subject to either increase or decrease and hereby proposes to perform any increased or decreased quantities of work in accordance with said Specifications. **The undersigned further understands and specifically agrees that in making this proposal, in case of error in the extension of prices in the bid, the unit price will govern.**

Section B: CONTRACTOR'S CERTIFICATION

The Contractor proposes to perform all "Force Account or Extra Work" that may be required on the basis provided in the Specification hereto attached, and to give such work personal attention in order to see that it is economically performed.

The Contractor further proposes to execute the Contract Agreement in a form to be attached as soon as the work is awarded to the Contractor and to begin and complete the work within the respective time limit provided for in the Specifications hereto attached.

The Contractor also proposes to furnish a Performance Bond, acceptable to the County, in an amount equal to the total amount of the Contract. This bond shall serve not only to guarantee the completion of the work but also guarantee the excellence of both workmanship and materials until the work is finally accepted.

The Contractor encloses a certified check or bid bond for the lesser of 5 percent (5%) or \$10,000. The contractor hereby agrees that in case of failure to execute a Contract and furnish performance bonds within ten (10) days after notice of award, the awarding authority shall retain from the proposal guaranty, if a certified check, or recover from the principal and/ or the sureties, if the guaranty is a bid bond, the difference between the amount of the Contract as awarded and the amount of the proposal of the next lowest acceptable bidder. If no other bids are received, the full amount of the proposal guaranty shall be so retained and / or recovered as Liquidated Damages for such default. It is understood that in case the work is not awarded to the Contractor, the proposal guaranty, if a certified check, will be returned as provided in the Alabama Department of Transportation Standard Specifications for Highway Construction, 2022 Edition.

COLLUSION

It is further certified that neither the person, firm, partnership or corporation submitting this bid, nor any of their officers, have directly or indirectly entered into any agreement, participated in any collusion or otherwise taken any action in restraint of free competitive bidding in connection with this contract.

BEST MANAGEMENT PRACTICES PLAN

PROJECT NOTES

1. The successful bidder, upon notification by the County, shall have ten (10) days to execute a contract pertaining to the scope of work as identified within this bid proposal package. Failure to do so shall result in forfeiture of the bidder's bond subject to stipulations as provided herein.
2. After the contract is signed and executed by both parties, the Shelby County Highway Department shall issue a "Notice to Proceed" to the successful bidder. Upon failure of the Contractor to complete the contract by September 20, 2024, the Contractor shall be assessed liquidated damages per Section 108.11 for Fixed Date Contracts. A monthly time statement will not be provided. If for any reason the contractor feels that they have been delayed by any actions on the County's part, or for something he or she feels is beyond their control, the contractor shall provide the County in writing of a request to extend time within fifteen days of said delay.
3. The contractor shall use any means necessary as required by his Best Management Practices plan or as specified by the engineer. Pay items for this will be added if they become necessary during construction.
4. **IT SHALL BE MANDATORY THAT ALL PROSPECTIVE BIDDERS ATTEND THE PRE-BID MEETING SCHEDULED FOR THURSDAY, FEBRUARY 15, 2024 AT 10:00 A.M. AT THE OFFICE OF THE COUNTY ENGINEER.**
5. The contractor shall provide to the County, facilities at its asphalt plants to allow for County personnel or County's consultant to conduct materials tests. These tests shall be conducted at the discretion of the project engineer.
6. Reclaimed Asphalt Shingles (RAS) will not be considered for use on this project.
7. Shelby County reserves the right, in its sole discretion, to waive compliance with any non-material bid specification which it deems to be of no material consequence to the project.
8. The successful bidder shall be the owner of an ALDOT Certified operating asphalt plant that is located within the political boundaries of Shelby County, Alabama and shall provide documentation that the plant is certified by ALDOT prior to the contract being executed.
9. There will be no weekend work allowed unless specifically set up in the project or specifically and directly approved by the County Engineer. Any work done on the weekend without this specific permission will not be paid for.
10. Shelby County reserves the right to further restrict working hours on a specific unit at the sole discretion of the County Engineer or his authorized designee.
11. If at any time the County Engineer or his designee determines that Traffic Control is inadequate to handle ongoing operations, he or she will order that work be stopped until the issue is resolved to his or her satisfaction.
12. Time is of the essence for the need to place the permanent traffic stripe and pavement markers. This is for the safety of the traveling public and to protect both the County and Contractor from liability. The Contractor will have 15 working days after the curing period to install the permanent traffic stripe and pavement markers. If these items are not installed within 15 working days after the curing period, the contractor shall be responsible for applying temporary applications every month until these items are complete.
