

PUBLIC SAFETY RADIO TOWERS PROJECT

ADDENDUM NO. 4

Date: May 8, 2024

RE: Public Safety Radio Towers Project

BID DATE AND TIME:

Tuesday, May 14, 2024 at 2:00 p.m.

Location for the bid opening remains the office of the Shelby County Chief Financial Officer, located at 200 West College Street, Room 125, Columbiana, Alabama, 35051

Clarifications:

- Q1. Will you please confirm that everyone is bidding on this project following the Motorola R56 manual? All I could find was the 2005 manual. The price of the shelter and grounding system goes up tremendously following this manual.
A2. Per the Project Manual, Section 1010 – Project Summary – “All grounding must be to R56 Specifications”. See attached 2017 Motorola R56 Manual.
- Q2. Can you provide any specifications for the Motorola R56 grounding requirements for the Thompson site shelter? Possibly a drawing from an existing site?
A2. See attached drawings.
- Q3. Can you clarify that the Commercial Contractor – Section 84 license is a requirement before the bid or can it be obtained after award?
A3. Section 84/County Business License from the State of Alabama can be obtained after the bid has been awarded.
