

## Fire Services Equipment

### ADDENDUM NO. 1

Date: January 15, 2025

RE: Fire Services Equipment

#### BID DATE AND TIME:

Thursday, January 23, 2025, 2:00 P.M.

Location for the bid opening remains the office of the Chief Financial Officer, located at 200 West College Street, Room 125, Columbiana, Alabama, 35051

\*\*\*\*\*

#### Clarification:

- Q1. On the bid form, I did not see any quantity of Aeds listed. Are we providing just unit pricing per each type of unit? To provide a more competitive price it would be better to provide an anticipated quantity of each (example 10 of each type. This way we can figure in discounts for larger quantities)
- A1. There is not a quantity ordered. We will not know the number of AED's until this is pushed to the fire departments.
- Q2. I did not see a delivery address on where the AEDs are being delivered. Please provide so we can include shipping in our quote. From the bid form, I am assuming one shipment but wanted to confirm the location of the shipment in our cost estimate.
- A2. AED's will be delivered to 504 Highway 70, Columbiana, Al. 35051.
- Q3. There is no spec manufacturer listed for the AEDs. I would assume that we would need provide the brand and model number for the type of unit we are providing. Please confirm. Also please provide if possible the brand and model that the county most recently purchased from last years bid.
- A3. a. You would need to provide a brand and model number for the unit that meets the listed specs.  
b. Previously purchased units have been Heartsine.
