RE: Repair, Resurfacing & Traffic Stripe for Various County Roads in East Shelby County, AL
Addendum No. 1

General:

1. Revised Bid Form

- An error in the bid form has been brought to our attention. The base bid for item 401B-111 Bituminous Treatment G, CRS-2 (With Polymer Additive) should be **139,793 SY**, not 204,169 SY. This is the G Treatment for units 1E-4E. The G Treatment line item of 64,376 SY for the remaining units (5E-16E) is correct and is reflected at the bottom of the bid form and can be bid as DOT C-10 Trackless Tack. The total amount of G Treatment for the entire project totals 204,169 as shown in the plans.

Please replace the bid form originally included in the bid package with the attached revised bid form dated 3/4/2025.
