Date: March 5, 2025

RE: Repair, Resurfacing & Traffic Stripe for Various County Roads in East Shelby County, AL
Addendum No. 2

General:

1. Striping Material Change for Units 3E & 4E
 - Units 3E & 4E (CR-55 and CR-43) were previously shown as receiving Class 1 (paint) stripe. This has been revised and these units shall now receive Class 2 (thermoplastic) striping. This resulted in quantity changes for items 701A-007, 701A-016, 701A-227, 701A-230, & 701A-244 along with the removal of pay item 701A-011. These changes have been made and reflected on the attached revised plan sheets 3 & 3B, along with a revised Bid Form dated 3/5/2025.

Please replace the original documents mentioned above with those attached to this Addendum dated 3/5/2025.
