

Heavy Equipment AC Maintenance and Repair

Description

Preventive maintenance and repair of the County's heavy equipment AC systems.

Labor rate for repairs and markup rate of parts.

Shelby County will provide all Freon.

Preventive Maintenance price is to include all labor costs needed to perform the work.

Shelby County is tax exempt. Price shall not include tax. Prices are good for 1 year from time of award.

Technicians Hourly Rate \$ _____

Parts mark up by Percentage _____ %

Name of Contractor: _____

Address: _____

Signature: _____ Title: _____

Printed Name: _____

This bid is to perform AC system maintenance and repairs onsite on select truck and heavy equipment in Shelby County's fleet. The work locations are typically at the Shelby County Landfill located at 4154 AL-70, Columbiana, AL 35051 and at the Shelby County Highway Department located at 506 AL-70, Columbiana, AL 35051. However, the repairs may also be performed at various locations within Shelby County at other facilities or on worksite locations and/or roadways.

- No service call charges, truck fees, mileage or fuel fees may be charged.
- Awarded bidder agrees to always use refrigerant/freon provided and paid for by Shelby County.
- Labor time for maintenance and repairs will be charged by book time and cannot include travel time.
- Bidder must guarantee their work for 180 days.
- Response to service call request must be within a 24-hour period.
- Bid response will list per hour labor and markup rate of parts.

A list of all equipment for AC system maintenance is attached.
