NOW, THEREFORE, In the event the said Principal as such Contractor shall faithfully and
promptly perform said Contract and all the conditions and requirements thereof, then this
obligation shall be null and void and of no effect, otherwise to remain and be in full force and
effect.

PROVIDED, further, that upon the failure, in any respect, of the said Principal to promptly
and efficiently prosecute said work in accordance with the Contract, the above bound Surety
shall, at its own expense, take charge of said work and complete the Contract, pursuant to the
terms of the Contract, receiving, however, any balance of the funds in the hands of said Oblige
due under said Contract. Said Surety may, if it so elects, by written direction given to the Oblige
authorize the Oblige to advertise for bids to complete the said Contract at the expense of said
Surety, and such Surety hereby agrees and binds itself to pay the expense of the completion of
such work, less any funds in the hands of the Oblige remaining, under said Contract, to be due
to said Principal.

In the event said Principal shall fail or delay the prosecution and completion of said work
and said Surety shall also fail to act promptly as hereinbefore provided, then said Oblige may
cause ten days notice of such failure to be given, either to said Principal or Surety, and at the
expiration of said ten days, if said Principal or Surety do not proceed promptly to execute said
contract, the Oblige shall have the authority to cause said work to be done, and when the same
is completed and the cost thereof estimated, the said Principal and Surety shall and hereby agree
to pay any excess in the cost of said work above the agreed price to be paid under said Contract.

Upon the completion of said Contract pursuant to its terms, if any funds remain due on said Contract, the same shall be paid to said Principal or Surety.

The said Principal and Surety further agree as part of this obligation to pay all such damages of any kind to person or property that may result from a failure in any respect to perform and complete said Contract.

The decision of said Obligee's designated representative upon any question connected with the execution of said Contract, or any failure or delay in the prosecution of the work by said Principal or Surety, shall be final and conclusive.

The Proposal, Specifications and the Contract hereinbefore referred to, and the Bond for the Payment of Labor, Materials, Feed-stuffs or Supplies executed under the provisions of Section 39-1-1, Code of Alabama 1975, as amended, are made a part of this obligation, and this instrument is to be construed in connection therewith.
