

Specifications for Shelby County Sheriff's Office 2026 Sheriff's Office Vehicle Graphics.

The Shelby County Sheriff's Office shall have the sole right to determine if all requirements have been met.

The winning bidder must be ready to start installation of all vehicles within 30 days of notification that they have been awarded the bid for these vehicles and within 15 days of delivery and receipt of any future vehicles. This will be contingent upon delivery of vehicles from the manufacturers. The Sheriff's Office will provide projected delivery dates to the bidder as provided by vehicle manufacturers upon request.

Installer must be able to complete a minimum 5 vehicles per week from the start date. If the winning bidder fails to deliver complete services during this established time frame, punitive damages will be assessed. If the project is not complete by the third day past the estimated end date, a two percent reduction in the total project cost will be deducted from the final bill. In addition for every seven days following that the project is not complete, another two percent (cumulative) reduction in the total project cost will be deducted from the final bill.

The Shelby County Sheriff's Office routinely orders 10-15 patrol vehicles per year. There are currently 14 2026 Chevrolet Tahoes awaiting graphics.

- All material used will be 3M Scotchlite 680CR Removable Reflective Graphic Film with 9 year expected performance life with 3M Scotchcal 8518 Gloss Overlamine or equivalent.
