Clarification:

- Q1. Will the County consider bids on alternative products? Or, should this request be considered as "No Substitutes" allowed?
- A1. Bidding of alternate items is acceptable. Please be sure to mark your bid response as such for each item. Include information to verify that each of these items meets the specs as the brand requested. It is also imperative that the use of the alternate item will not interfere with the integrity of the warranty on products already owned by the department.
