

RESOLUTION 2026-09-14-06

WHEREAS, Shelby County issued a Request for Proposal (“RFP”) requesting proposals from qualified, responsible vendors to provide Jail Management System Software Solution, with a focus on services for the Juvenile Detention Facility; and

WHEREAS, eight (8) proposals were received in response to the RFP and were evaluated based upon the objective criteria set forth in the RFP; and

WHEREAS, based upon that evaluation, a multi-disciplinary team of staff members unanimously recommends that the proposal from eJail, LLC, demonstrates a software solution that meets the specifications of the RFP and represents the best value to the County;

WHEREAS, the evaluation team further recommends that Handel Information Technologies, LLC demonstrated a proposal that meets the specifications of the RFP.

NOW THEREFORE, BE IT RESOLVED, consistent with the RFP, the Shelby County Commission hereby awards the intent to negotiate a contract for a Jail Management System software to eJail, LLC.

The County Commission delegates authority to the County Manager and his staff to negotiate a contract consistent with the RFP and this Resolution for these services. Should the County Manager determine, in his discretion, that a mutually agreed upon solution cannot be reached with eJail, LLC, the County Commission hereby delegates the authority to the County Manager to rescind the award to eJail, LLC and enter into negotiations with Handel Information Technologies, LLC.
