## **Medical: Supplies, Equipment, Devices, Vaccines**

### ***1.0) Bid Purpose***

Shelby County is issuing a bid for a contractor(s) to provide an array of medical supplies, equipment, devices and/or vaccines from four category groups to: prevent, detect; mitigate; reduce or limit exposure to COVID-19 and other infectious disease(s).

### ***2.0) Requirements***

2.1. Vendor shall maintain an inventory of the items listed below.

2.2. Bid pricing is to be established as a ceiling price. At no time may the bid products be offered pursuant to a contract, at prices above this ceiling price without approval by County.

2.3 Hot List pricing may also be used to discount and liquidate close-out and discontinued products as long as those close-out and discontinued items are clearly labeled as such.

2.4 New listings may be submitted throughout the term of the bid. Vendor reserves the right to review subsequent offerings to determine if the represented products reflect the contracted products and equipment. Each new listing may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New optional accessories for equipment may be added to the Contract at the time they become available.

2.5. All products sold by the bidder must be new. Products that have a 30/60/90 day money back guarantee should be clearly identified.

2.6. The vendor agrees that full refund, credit, or exchange will be granted to any defective-on arrival (DOA) merchandise, if reported within thirty (30) days of receipt of the order.

2.7. Due to the nature of direct mail-order business, Shelby County will require a single contact for problem solving. The bidder agrees to assign a senior-level employee (one authorized to make decisions) to the account. This employee must have working knowledge of the contract.

2.8. Shipping charges must be clearly identified in the bid.

2.9. Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor may charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided.
