

GENERAL CONDITIONS FOR CALCIUM HYPOCHLORITE TABLETS

I. CONTRACT PERIOD

The period of this contract will be for **One (1) Year** from date bid is awarded. This contract may be renewed for up to three (3) years from the initial award date upon the agreement of both parties. Bid price will remain firm during the period of the contract.

II. DELIVERY

Deliveries shall be made within seven (7) working days from the date of order. The vendor shall notify Shelby County Water Services personnel (the person who ordered the product) of any problems in meeting the mandatory seven (7) working day deadline and the vendor must schedule specific delivery day and time with personnel if the deadline is not met. Excessive failure to deliver within seven (7) working days shall be grounds for rejection of the vendor for future purchases, at the sole discretion of Shelby County. Bulk deliveries of chemicals, if ordered, shall be made in tanker truck. For all chemical deliveries, the truck must be equipped with all the means to safely convey the chemical from the truck to the storage tanks. Any spillage or leakage shall be the responsibility of the vendor. Deliveries of PRODUCT shall be coordinated with the Utilities Superintendent.

All quoted prices shall include delivery charges. Deliveries shall be made to the following addresses:

B2-S Booster Station

8100 Hwy. 39
Chelsea, AL 35043

Westover Field Office

42 Big Oak Circle
Westover, AL 35147

III. CHEMICAL DELIVERIES

All items shall be placed on the ground by means of a vendor operated and supplied lift gate in good working order. If the vendor proposes any other method of placing these items on the ground, that method must be approved by Shelby County Water Services personnel prior to delivery. The item shall not be formally accepted as delivered until it is placed safely on the ground. Rejection of an unacceptable delivery method shall not excuse the vendor from the seven (7) working day delivery requirement.

IV. **BILLING**

Invoice payments shall be based solely on total certified weight ticket and the vendors stated bid price. Product shall be billed in **pounds of product shipped** and all prices shall include shipping. Shelby County Water Services does require a Purchase Order for every order placed. Shelby County Water Services is tax exempt (tax exempt #63-6001694).

All invoices shall be billed to:
Shelby County Water Services
200 West College Street, Room 145
Columbiana, AL 35051
ap-water-landfill@shelbyal.com

V. **ESTIMATED ANNUAL USE**

Products will be ordered on an *AS NEEDED* basis. Minimum delivery will be one (1) container with approximately 50 lbs of PRODUCT.

Estimated quantities for products are:

Annual use is approximately 7,200 lbs per year.

VI. **BID QUALIFICATIONS**

All BIDDERS must submit product information with bids. Information to be submitted must show the product proposed meets all the specifications listed below and list **ALL EXCEPTIONS** to the specifications in a separate document.
