Statement of Expectations

The Shelby County Sheriff's Office is requesting bids to purchase, in bulk, the FN15 14.5" SRP G2P Carbine, with BUIS for the Shelby County, AL Sheriff's Office. Pricing for this item(s) will be good for a one year period beginning on the award date of this bid. A contract may be awarded to the successful bidder for two additional years, only if agreed to by both parties. Items will be purchased on an "as needed" basis for the duration of the contract period. This solicitation for bid outlines our expectations of a potential retailer/supplier regarding pricing, customer service, turn-around time on back-ordered items, etc.

Appendix "A" describes specific items and their product characteristics, firing characteristics, features of the rifle itself, the delivery, warranty and customer service of said product. The product(s) which is bid must meet specifications detailed in Appendix "A" for the FN15 14.5" SRP G2P Carbine, with BUIS for Shelby County, AL Sheriff's Office. The Shelby County Sheriff's Office would prefer that all items specified be purchased from a single supplier. However, if it would be more advantageous for items to be purchased from more than one supplier, the Shelby County Sheriff's Office reserves the right to do so. Bids will be evaluated on cost, the ability of the bidder to meet the specifications and requirements listed in this document, and bidder performance and reliability. Suppliers will be required to acknowledge that they have read, understand, and agree to, abide by and fulfill the expectations listed.

Bid Pricing

Prices quoted for each individual item will be effective beginning one year from the award date of this bid, and will remain in effect for one calendar year. Thereafter, the vendor/supplier may adjust pricing on each subsequent year thereafter (up to two additional years) to only reflect increases in wholesale costs. However, the percentage of increase in bid price shall not exceed the percentage of increase in wholesale price for the bid item. In order for the bid to be extended, the price must be agreed upon by both parties. Should bid prices be adjusted, the supplier will be required to provide documentation showing an increase in wholesale prices from the previous calendar year on each item for which there was an increase in bid price. § 87(2)(b)

There will be no hidden costs, and all bid prices will include any shipping and/or handling costs, either on the part of the manufacturer, vendor, supplier, or any other person/entity involved in the handling and transfer of merchandise. § 87(2)(b)

Pricing quoted must include the purchase amount for all items, warranties and requirements as listed in Appendix "A" and in this document. § 87(2)(b)
